

NAME: _____

REGION COVERED: _____

LASH INSPECTIONS - *look for the following:*

1. fire doors/passages (i.e. NO blocks to hallway walls); fire extinguishers
2. red emergency call boxes on every floor; emergency phones in each classroom
3. first aid kits/signs
4. disability access issues: doors, ramps, parking
5. Any areas in need of repair that would present a safety hazard

Remember that our job will be to look for these things only and report. The EHSO and Security people can be called in for further checking.
