

Aurora

2014 - 2015 Registration Schedule

FINAL April 14, 2014

The following registration times are applicable to registrations for **Fall Term 2014** and **Winter Term 2015**, as well as the **PGME 2014/2015 Term**.

Note the following:

- **Students may access their registration time on Aurora beginning *Monday, July 7.***
- Registration times are assigned based on the student's faculty/program on the date registration times are assigned. Students who change faculties after this date will have their time adjusted once admission is completed. In the absence of a dgpa, the cgpa is used.
- Aurora will be open for all functions, including registration, 24 hours per day - seven days per week. (subject to minor scheduled and unscheduled outages in off-peak hours)
- All students require a registration time in order to register. Registration times will be assigned to students on the basis of several criteria as per their student status, as noted in the schedule below.
- Once a registration time begins, a student will be permitted unlimited access to the registration system. i.e. There is no 24 hour window.
- Although students may register on weekends, no registration times will begin on the weekend.
- **Space reserves will be effective up to and including *August 7.* Unused reserved space will be available to students at 9:00 a.m. on *August 8.***
- **NOTE: Aurora Self-Service unavailable 8:30 - 9 am Friday August 8**
