Revised July 2014

**General Information**

As of June 1, 2014, regulations have changed regarding the International Student Program and the issuance of Study Permits in Canada.

New rules will: limit the issuance of study permits to applicants who are studying at a designated learning institution such as the University of Manitoba (Designated Learning Institution Number DLI#019091528512) meeting minimum standards, require students to actively pursue their studies while in Canada and allow full-time international students who are enrolled at a designated institution to work part-time off campus and full-time during scheduled school breaks without a permit.

The Registrar’s Office will be collecting select study permit information to help facilitate periodical reporting to the government. Study Permit information will be entered in Banner via GOINTL – The International Information form.
