Study Permit Information – GOAINTL Banner 9

May 2018

General Information

As of June 1, 2014, regulations have changed regarding the International Student Program and the issuance of Study Permits in Canada.

New rules will limit the issuance of study permits to applicants who are studying at a designated learning institution, such as the University of Manitoba (Designated Learning Institution Number DLI#O19091528512), are meeting minimum standards, will require students to actively pursue their studies while in Canada, and allow full-time international students who are enrolled at a designated institution to work part-time off campus and full-time during scheduled school breaks without a permit.

The Registrar's Office will be collecting select study permit information to help facilitate periodical reporting to the government. Study Permit information will be entered in Banner via GOAINTL – The International Information form.
